Character

You think out things that are original in character. These may take widely diverse forms. You might invent some very ingenious contrivance or evolve a new method. Whatever it is, the world will be taken a step forward on your account. There is no doubt that you set great score on honesty, using the term in its widest sense. You require your friends to be honest in purpose, honest in speech, as well as in money affairs. Your greatest weakness lies in the way you treat others. You cannot tolerate inefficiency and you are apt to consider those who do not see eye to eye with you as being hopelessly beneath contempt. It would not be difficult for you to cultivate a more charitable and tolerant view towards those who are likely to earn your disapproval. At any rate, it is well worth trying. You are a person of considerable action. You are never still. You are always making plans and the thing you can least tolerate is inactivity. You have much self will, and the spirit of independence is firmly planted in you. You resent the interference of others, perhaps more than you should, and freedom is a quality you prize very highly- freedom not only of action but also of thought.

Happiness And Fulfillment

Expecting too much too soon, you are under tremendous inner tension and are too stubborn to compromise. Extremely nervous, you scatter your energies by doing too many things at once and rarely complete anything, for there is always something new to discover. At later part of your age, you may experience migraine headaches and must learn to relax. Any sort of combined physical and mental discipline such as yoga is an excellent remedy.

Life Style

You are precisely the one, people are talking about when they say that behind every successful person there is a lover. Your marriage partner will motivate you to accomplish your objectives.

Career

Because you are sensitive to any happenings in your career life, you prefer to have jobs which require little hassle and pressure. Aiming your vocational directions with this in mind will result in a career of performance.

Occupation

You have, above all, a facility for putting thoughts into eloquent words. Thus, you would do admirably as a journalist, a lecturer or even as a traveller salesman. Never would you be at a loss for something to say. This quality would fit you for a teacher also. But, when your impatient moods overtake you, you would fare badly. In almost any occupation requiring quick thinking, you will succeed very well. But, it must not be monotonous work or you will prove an utter failure. You like change and variety, so that any job which takes you up and down the country or to some far-flung outpost, will be suitable for you. You will fare better as your own master than when working for somebody else. You want to come and go when you like and, to be able to do this, you must be your own master.

Whatever you do, you try and execute it with perfection while feeling a little pressured, as a result of which you attain fruitful results. Try not to feel overconfident when your senior or boss praises you. Act wisely in your professional life, as it is going to incur favorable outcomes. Devote a little more time towards meals and post-meal walks. Eradicate the laziness inside you and at the same time, remain aware of your habit of overworking. Avoid taking long holidays. In terms of health, you may suffer from heart-related diseases, but you will also be able to overcome them. If you have performed excessive work, society will honor you.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Eighth house from Lagna, while in the Moon chart Mangal is placed in Second house.

Hence Mangal Dosha is present in Lagna Chart but not in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. Take this period as learning period, put your hard work and things will fall in place. You are advised not to take high risks in business matters in this period.

This is the peak of Shani's Sade Sati. Generally this phase of Saturn is the most difficult one. Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. As first house is the house of health, you should start exercising and taking care of your health, otherwise you can be caught by chronic diseases. You will be spiritually inclined and will be attracted by intricacies of nature. Acceptance and doing basics right will sail you out of this period.

Shani Sade Sati: Setting Phase

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

Note: Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also need to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

Kalsarpa Dosh/Yog

As per the current definition, when all planets are situated in middle of Rahu and Ketu in birth-chart or horoscope, the astrologers call it Kalsarp Dosh. In present days, discussions about this dosh are vogue among Jyotishi or Hindu Astrologers of India. Many of troubles in one's life are mostly because of Kalsarp Dosh. Without analyzing other areas of astrology, most astrologers, in fact, accept kalsarp dosh is main root of problems. But the reality is this that if all planets are well posited in horoscope, kalsarp dosh will not be harmful, and can be supportive to beneficial results endowed by good positions of planets. Kalsarp dosh is inauspicious when positions of planets are unfavorable in one's horoscope. Therefore, it is not wise to fear hearing just about 'Kalsarp Dosh'. It is in fact always better to reach on remedies only after consulting jyotishi for deep analysis on negative influences of Kalsarp dosh. Interestingly, influence of kalsarp dosh is different in different people. Because influence of kalsarp dosh is based on points-which sign is posited in which house, and what other planets occupied that house, what are their influences and so on.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
